If you're a UK taxpayer using Gift Aid means that for every £1 you give, Connect Church can claim an extra 25p from the government - at no extra cost to you. This makes your gift go much further. We can even claim Gift Aid on donations that you have made up to four years ago.

Please tick one of the boxes below AND **sign** and **date** this declaration so we can use it.

I am a UK tax payer and would like Connect to treat as Gift Aid Donations:

- all donations I have made for the four years prior to the date of this declaration, and all donations I make from the date of this declaration until I notify you otherwise
- all donations that I make from the date of this declaration until I notify you otherwise
- the enclosed one-off donation

I confirm I have paid, or will pay, an amount of Income Tax and/or Capital Gains Tax for each tax year (6 April to 5 April) that is at least equal to the amount of tax that all the charities (including churches, Sports Clubs, etc) that I donate to will reclaim on my gifts for that tax year. I understand that other taxes such as VAT and Council Tax do not qualify. I understand the charity will reclaim 25p of tax on every £1 that I give.

Please notify the church if you

- Want to cancel this declaration
- Change your name or home address
- No longer pay sufficient tax on your income and/or capital gains. Gift Aid is linked to basic rate tax. Basic rate tax is currently 20%, which currently allows charities to reclaim 25 pence on the pound.

Higher rate taxpayers can claim back the difference between basic rate and higher rate or additional rate tax. If you pay Income Tax at the higher or additional rate and want to receive the additional tax relief due to you, you must include all your Gift Aid donations on your Self-Assessment tax return or ask HM Revenue and Customs to adjust your tax code.
